

Cleanaux

Commercial Cleaners

Cleanaux Company Profile

We are an Australian owned commercial cleaning company, providing services to Private and Public Sector.

For over **14 years** we have been servicing our clients with **General Cleaning Service** throughout Melbourne region. Our successful expansion into major capital cities means we can offer our services to our national clients and help them increase efficiencies within their processes.

We also provide additional services such as: Carpet Steam Cleaning, Vinyl Floor Polishing, Window Cleaning, Warehouse Machine Cleaning and Ongoing Cleaning Services.

Our online purchasing facility at www.cleanaux.com.au/store can take care of all your hygiene & paper products needs.

We invite you to consider a trusted company to help you with your cleaning needs. We have the knowledge, skills, experience and confidence in what we do. Being for over **fourteen years in the industry** we have positioned ourselves as **market leader** in the provision of **premium cleaning service** in Australia.

Our professional management and support keeps a close relationship with our clients, ensuring a continuous delivery of high standard of service and we would be pleased to look after your cleaning needs and show you just how different a cleaning company can be. Since humbled beginnings we strive to offer unique and personal customisation of service management to all our clients.

Our embrace of world class technology in business management using SuiteCRM-Cleanaux-Data & Xero Accounting, OwnCloud Files Management as well as provision of electric machinery, managing, QR Code Reader **real-time Log in / Log Out** staff monitoring system and streamlining processes for daily activities makes us one of the favourite service provider.

All our services are secured by Public Liability and Workers Compensation Insurances. Most importantly all our cleaners are OHS & White Card where necessary inducted and fully trained.

Also, we clean other multinational companies, prestige car dealerships, reputable businesses, common & corporate properties, sports centres, child care centres and schools from which references will be provided.

Should you be interested in a price assessment meeting please do not hesitate to contact us and speak with our helpful team.

**Tried and Trusted
